-The Prize Speaking at Music Hall-General

The baccalaureate sermon to the graduating class was preached at the South church last Sunday evening by the pastor of the church, Rev. Dr. Edward T. Fairbanks. Rev. Dr. A. H. The pulpit was profusely decorated with plants and flowers and the church was crowded with an interested audience. The graduating class marched in at the opening of the service and occupied the front

The pastor chose his text from the words of Paul found in Romans 16: 10, "Salute Apelles approved in Christ." He said that Apelles was alive in flesh and blood whenever men with the right spirit walked the earth. The subject of our text rises but once on the screen, is pronounced approved, and is then gone. He believed the Christian gospel when he beard it against all popular criticism and abuse. He received it and lived it and thus he became known as "Apeiles approved in Christ." I salute the young man or the young woman who is "approved in Christ."

RECENT DEATHS.

William J. Ranney, for the past eight years a resident of this town, died suddenly Sunday noon of neuralgia of the

Sunday morning he left the house where he has been engaged as nurse about 6 o'clock, apparently in his usual health, and expected to return at 9. On reaching home he complained of a pain in the vicinity of the heart. He took some remedies, laid down on the sofa and slept for two hours. Waking up he said that the pain had increased, but did not think it necessary to send for the doctor. He also complained of being cold, and upon going to bed was given a warm drink. Soon after he laid back and instantly died. Mr. Ranney had evidently been unwell for some time. though he did not complain of his health.

Fifty-nine years ago last January William J. Ranney was born in Sherbrooke, P. Q., the third child of John and Jane Ranney. The first 21 years of William's his were spent in his native town, when the family moved to Wheelock, where they lived until the death of the father 17 years ago. The father died suddenly of heart trouble while on a business trip to St. Johnsbury. After the death of the father the mother moved to St. Johnsbury and lived with her son-in-law, Lorenzo Sulloway, until her death, nine years ago.

William Ranney lived with his father for a number of years after moving to Wheelock, helping carry on the farm. He finally purchased the farm and carried it on alone until an injury to his spine received in a runaway compelled him to give up work. He then moved into the village, where his wife for a time carried on dressmaking and millinery establishment. During his residence in Wheelock he was popular with the townspeople, prominent in village affairs and taking an active interest in all that pertained to the industrial, educational and religious life of the village.

Eight years ago he moved to St. Johnsbury, where his son was attending school. For two years he was employed as a carpenter by E. & T. Fairbanks & Co., his first work being on the Court House. During this time he was also occasionally engaged as a nurse, on one occasion taking care of a man for 25 nights and attending to his regular work as well. He finally gave up his position it the scale works, and has since devoted his time to his duties as a nurse. Three years ago Mr. Ranney moved into the house on Cherry street and took charge
